

# Home and Apartment Energy Fix-up Program

*The Reliable One*®

# Fix a little and save a lot.

Save on your monthly electric and water bills with **OUC's Home and Apartment Energy Fix-Up Program.**

We'll arrange for a licensed, approved contractor to do the work – plus we'll pay 85 percent of the total cost, not to exceed \$2,000. The remaining 15 percent difference could be paid directly or over an interest-free 12-month period on your monthly utility bill. Thousands of OUC customers have taken advantage of this program since it first began in 1985.

## **How OUC's Home and Apartment Energy Fix-Up Program Can Help You Save**

From garage to attic, we can assist you in making home improvements that will help you save money. Here's how:

- Insulate the attic
- Caulk windows and weather-strip doors
- Install water flow restrictors
- Install water heater insulation
- Install hot water pipe insulation
- Repair minor duct leaks
- Repair minor water leaks

## How To Qualify

To qualify for this program, your total annual family income must be \$35,000 or less. In addition, your home must be equipped with all-electric household appliances and you must request and complete a free Residential Energy Survey. Renters can also qualify by having their landlord sign an authorization form for the work to be performed.

**To sign up for your free Residential Energy Survey or to learn more about this program, call OUC Customer Service at 407.423.9018 in Orlando or 407.957.7373 in St. Cloud and speak to a customer service representative.**

## **NOW ON DVD . . . The OUC Home Energy Survey**

Do you know what your home's "thermal envelope" is? How about which appliances use the most electricity? You can find answers to those energy-saving questions — and more — just by tuning in to our new Home Energy Survey DVD. We'll walk you through a "do-it-yourself" energy survey — in English or Spanish — that will help you save money on your utility bill . . . and keep your home comfortable at the same time.
