

# HOME ENERGY FIX-UP PROGRAM

**RELIABLY  
GREEN**

MAKE *your* MARK.

# FIX A LITTLE AND SAVE A LOT.

Save on your monthly electric and water bills with **OUC's Home Energy Fix-Up Program**.

We'll arrange for a licensed, approved contractor to do the work – plus we'll pay 85 percent of the total cost, not to exceed \$2,000. The remaining 15 percent difference could be paid directly or over an interest-free 12-month period on your monthly utility bill. Thousands of OUC customers have taken advantage of this program since it first began in 1985.

## ***How OUC's Home Energy Fix-Up Program Can Help You Save***

From the attic to the back door, we can assist you in making home improvements that will help you save money. Here's how:

- Insulate the attic
- Caulk windows and weather-strip doors
- Install water flow restrictors
- Install water heater insulation
- Install hot water pipe insulation
- Repair minor duct leaks
- Repair minor water leaks

## HOW TO QUALIFY

To qualify for this program, your total annual family income must be \$35,000 or less. In addition, your home must be equipped with all-electric household appliances. Renters can also qualify by having their landlord sign an authorization form for the work to be performed.

### STEP 1

Call **407.423.9018** in Orlando or **407.957.7373** in St. Cloud and speak to a customer service representative to sign up for a free home energy survey.

### STEP 2

Following your free home energy survey, the auditor will determine if you qualify for the Home Energy Fix-Up Program.

### STEP 3

If you qualify, an OUC representative will provide the necessary guidance to help you upgrade your home.

## NOW ON DVD . . .

### THE OUC HOME ENERGY SURVEY

Do you know what your home's "thermal envelope" is? How about which appliances use the most electricity? You can find answers to those energy-saving questions — and more — just by watching our Home Energy Survey DVD. We'll walk you through a "do-it-yourself" energy survey — in English or Spanish — that will help you save money on your utility bill . . . and keep your home comfortable at the same time.
