

2025 Rain Barrel Auction

Since 2017, OUC – The *Reliable* One's Water Color Project – an education outreach effort designed to encourage water conservation through art – has incorporated a silent auction for the rain barrels painted by middle and high school Orange County Public School (OCPS) students. Over the past 8 years, this silent auction has raised more than \$8,700 for the OCPS Visual Arts Department.

The rain barrels were painted by middle and high school OCPS students. 100% of auction proceeds go directly to the winning school's Visual Arts Department.
